

## Travel Directions

There is plenty of free parking space at Cumberland Lodge and the Lodge is easily accessible by public transport.

By Air: Heathrow Airport is twenty minutes away by road. Gatwick Airport is forty minutes away by road, or you can travel by rail to Victoria Station and then via Waterloo to Egham.

By Rail: There are fast trains from London Waterloo and Reading to Egham (not Windsor). The journey time from London is about 35 minutes. [Click here to use our Train Journey Planner](#)

By Taxi: There is a taxi rank at Egham Station, and a taxi office 100 yards away on Station Road. The approximate fares to Cumberland Lodge are under £8 from Egham, £25 from Heathrow, and £65 from Gatwick. For either airport it is best to pre-book a local taxi; the fares will be much lower than an airport taxi.

There is a list of telephone numbers for taxi companies in our printable [Travel Directions and route map](#) which is a downloadable pdf.

### Sat Nav

Please note that for Crown Estate legal reasons, GPS SatNav Systems do not work within the Great Park. However, they do work for Bishopsgate Road, Englefield Green, TW20 OXU, which is just outside the Bishopsgate entrance to the Park, and SL4 2JA is for drivers coming from the Windsor and Ascot direction using the Ranger's Gate entrance.

Below are directions to Cumberland Lodge by road from various starting points. Use the links for further details.
