A wonderful winter wedding

Nestled in the heart of Windsor Great Park and steeped in the nation's history, this stunning 17th-century former royal residence is a truly magical setting for a small winter wedding.

With stylish reception rooms and your choice of luxurious en-suite guest rooms looking out onto sweeping parkland views, you and your guests can enjoy the run of the house this autumn and winter, with bookings available at short notice on many dates.

Enjoy mouth-watering canapés on arrival and a sumptuous three-course wedding breakfast from our renowned senior chefs, served in one of our candle-lit dining rooms. Afterwards, we invite you to retire to our spacious Drawing Room for an elegant evening with your special guests.

Cumberland Lodge is lovingly run as a country home rather than a hotel. We pride ourselves on a relaxed and welcoming atmosphere, where special things happen and nothing is too much trouble.

Please enquire about civil ceremonies or religious blessings. History tours of the house are also available.
