Many wedding parties choose to hire Groom's House, the seven-bedroom Georgian house next to the main Lodge, for overnight accommodation on the Friday.

£1,650 for exclusive use of Groom's House the night before the wedding, including a Continental breakfast the morning of the wedding. Groom's House sleeps up to 11 of the bridal party and features seven en-suite bedrooms, a self-contained kitchen, dining room, lounge, and additional room suitable for hair & make-up artists.
