'Strictly Movement' **Cumberland Lodge, The Great Park, Windsor**

Penny Warden is a unique and truly original contemporary British artist known for her distinctive style.

Influenced by 'action painting' she paints with spontaneity and energetic expression. Her figurative paintings are created in a radical and exciting way with vibrant colours splashed and thrown in an arbitrary, though deliberate manner. The resulting figures are full of movement, emotion and drama.

Penny's work has appeared in many high profile places across London and the UK. In 2005, she was commissioned by Blackburn Cathedral to produce 'The Journey', fifteen 6ft oil paintings, on permanent display.

'Strictly Movement' is on display at Cumberland Lodge and will be open to the public on the following
