    @cumberlandlodge

**Founded in 1947, we are a charity that empowers people, through dialogue and debate, to tackle the causes and effects of social division.**

We are an incubator of fresh ideas that promote progress towards more peaceful, open and inclusive societies.

I invite you to visit our website, [cumberlandlodge.ac.uk](http://cumberlandlodge.ac.uk), to find out more about our work and ethos.

Our charitable work is funded by the hundreds of businesses and individuals who hire our facilities for conferences, meetings and special events each year.

As a small charity, we rely heavily on word-of-mouth referrals, so please tell your friends and colleagues about us, and leave us a review on Facebook or TripAdvisor.

We hope that you will feel at home with us and enjoy your stay.

Best wishes,

*Ed Newell*
