CALLING DOCTORAL STUDENTS

Be a part of it! Applications now open for Cumberland Lodge Scholarships 2019-21

Cumberland Lodge has been providing transformative experiences for students for over 70 years. From our base in the heart of Windsor Great Park, we challenge silo thinking and inspire people to think creatively about pressing issues that threaten to divide society.

A unique opportunity

Our two-year scholarships are designed to fit around, and enhance, your doctoral studies. They provide a unique opportunity to develop the communications, public engagement and interdisciplinary skills that will really set you apart.

‘The scholarship’s had a huge impact on my personal and professional development. It’s empowered me to think more creatively about my career path, and given me a stronger commitment to making an impact on society.’ - Dr Adelina Sharman, formerly at Coventry University

‘It’s incredibly important that, as academics, we look beyond the confines of our disciplines, and consider wider social and ethical problems. Cumberland Lodge gives us the chance to do just that.’ - Dr Sam Fowles, formerly at Queen Mary, University of London
