A truly distinctive setting

Cumberland Lodge is a stunning wedding and reception venue – a 17th-century former royal residence, nestled in the heart of Windsor Great Park. With historic reception rooms and 58 luxurious en suite guest rooms looking out onto sweeping parkland views, it offers a magical setting all year round, for both indoor and outdoor occasions.

The Lodge is lovingly run as a country home rather than a hotel, and we pride ourselves on its relaxed and welcoming atmosphere, where special things happen and nothing is too much trouble. Steeped in the nation's history, spanning almost four centuries, Cumberland Lodge stands apart as a venue for your special events. Since 1947, it has been home to a flourishing educational foundation with royal patronage.

Cumberland Lodge wedding receptions and civil partnerships ooze style and elegance, and every booking helps to support our charitable mission of nurturing students and young people to be ethically minded thought leaders.

Our picturesque Tapestry Hall steps provide a striking backdrop for photographs, and our elegant Drawing Room, with grand piano, open fireplace and stylish furnishings, is perfect for smaller weddings. Meanwhile, our cosy, wood-panelled dining rooms and extensive lawn with verdant borders are the perfect settings for sumptuous meals and wonderful, fun-filled receptions.

Here at Cumberland Lodge we believe that every wedding or civil partnership should be one of a kind, tailored to meet the dreams and desires of the individual couple. This is why we offer exclusive hire of the venue, to ensure that you benefit from that personalised experience, with staff dedicated solely to the needs of you and your special guests. From the professional guidance of Merrill and Sarah, our wedding advisers, to advice on menu choices from Robert, our renowned Head Chef, all of our staff will go out of their way to bring every last detail of your vision for the day to life.
