Cumberland
Lodge

A historic setting
for memorable events

A truly distinctive venue

Cumberland Lodge is a stunning wedding reception venue – a 17th-century former royal residence set in the heart of Windsor Great Park. With elegant reception rooms and 60 en-suite bedrooms overlooking sweeping parkland, it offers a truly magical setting for celebrations all year round.

Lovingly run as a country home rather than a hotel, the Lodge is known for its relaxed, welcoming atmosphere. Steeped in nearly four centuries of history, and home to an educational foundation with royal patronage since 1947, it is a venue unlike any other.

Weddings and civil partnerships at Cumberland Lodge combine timeless style and elegance, while also supporting our charitable mission to develop the next generation of leaders through our educational programmes. From the striking Tapestry Hall steps to the elegant Drawing Room – complete with grand piano and open fireplace – to the beautiful grounds and lawns, every space provides a memorable backdrop for your day, whether you are planning an intimate gathering or a larger celebration.

By offering exclusive use of the Lodge, we ensure a truly personal experience for you and your guests. Our dedicated team is here to guide you every step of the way, from the expert support of our wedding advisers to tailored menu planning with our renowned chefs.

Together, they work closely with you to bring every detail of your vision to life, creating a celebration that is entirely your own.

From the moment we first visited Cumberland Lodge, we had butterflies because it felt so perfect to us. But what made the experience truly special was the way you welcomed us so warmly and made us feel completely at ease, like we'd known you for years. Throughout the entire process, you made everything feel manageable and calm, especially during the moments when you could tell we were stressed.

Cumberland Lodge will always hold such a special place in our hearts, and we'll always look back on our wedding weekend there with so much love and happiness.
